

Did Santa not bring the club jacket you've always wanted? We'll be ordering the three "2017 Angler of the Year" (man, woman, & junior) jackets this coming week. While the embroidery machines are set up for that job, your jacket will cost less than it would if done by itself.

Remember that our meeting on January 4<sup>th</sup> is at The Weevil Burger in La Mesa. Come early for Thursday's special, the half-pound steerburger with fries, and you'll have time to flip through the catalog and choose your jacket.
